## How the Chinese were Fined.

A dispatch from Tacoma, Washington Territory, says: "This being the day set for the Chinese leaving, at 9:30 a. m., at a signal given, many hundreds of citizens congregated, marching quietly along the streets to the Chinese houses, requesting the occupants to pack up their goods and leave. The request was complied with, and by 5 p. m. the goods were packed and loaded on drays, and the Chinese marching along side of the loaded wagons, en route to Lake View, nine miles south of here. The Chinese merchants were given time till tomorrow morning to pack their goods, being allowed three assistants. One hundred and ninety-seven Chinese reached Lake View about 7 p. m. They camped in a vacant house. It is not known whether they take the morning train for Portland, but probably they will. Many Chinese are walking south on the railroad track. The citizens sent out to the Chinese provisions to last till morning. No trouble occurred, order prevailed and everything was quietly consummated. No harsh language was used during the proceedings. The Chinamen quietly left. When the present anti-Chinese excitement began here six weeks ago there were 700 Chinamen in Tacoma.

## Ague-Shaken Sufferers

Who resort to Hostetter's Stomach Bitters experience speedier and more complete relief than they can hope to do by the use of quinine. This well-authenticated fact is of itself sufficient to have established a high reputation for the Bitters. But the article is not a specific merely for the various forms of malarial disease. It endows the system with a degree of vigor, and reforms its irregularities with a certainty that constitutes its best defence against disorders of the stomach, liver and bowels, specially life where the atmosphere and water are miasma-tainted. Fever and ague, bilious retent, dumb ague and ague cake are remedied and prevented by it, and it also removes dyspepsia, constipation, rheumatism, etc. Take this medicine on the first indication that the system is out of order, and rest assured that you will be grateful for the hint.
